What: Kids get to quiz their parents and other adults on material from their respective grades (K-6)

When: Sunday, August 28th @ 1:30 PM

Where: India Community Center

Registration: Visit tiny.cc/iaiyouth to pay through paypal. Last date: August 20th 2011. Register ASAP so that we can work with your child on being part of the quizmaster team.

A great opportunity to jointly participate with your kids in a fun-filled program with edutainment. For a change, kids get to ask questions and parents will be answering them from the audience (Don't worry! We'll make sure they go easy on you). Your kids build confidence and stage presence through this unique experience. In the process, you help students in our community who need resources to do well in school.

Additional info: After registration, we will work with the kids to prepare for the event. Registration covers one child and one parent only. However, each team will have 2-3 adults. The details will be worked out after registration.
